

Technical Data Sheet

MicroOne Breazy ClickSpeed

International Article Number

161614 blue, 161615 red

Product classification

Single use microfiber mop

Composition

45 % Viscose
25 % Polyester
20 % Polypropylene
10 % Rubber

Technical data

	Typical value	Unit
Size	44 x 20	cm
Weight per Mop	13	g
Max water absorption per mop	50	ml

Product properties and product usage

- Certified to remove 99.999% of bacteria, tested with water only (BMA-Labor GbR, July 2019)
- Single use mop with 30 % microfibre
- To be used with Vileda Professional ClickSpeed Frame
- Hands-free mop attachment and removal with very low particle release
- Superior gliding performance due to its patented wave structure for dirt pick-up
- Available in 2 colours for positioning in different areas
- Can be disposed after use

Application

- Ideal for pre-prepared mopping method of hard floor surfaces
- Precautionary recommendation for delicate surfaces: please rinse off particulate matter (e.g. sand, mineral dust) from surfaces prior to cleaning action in order to avoid surface damage

Storage, transportation and disposal

Keep palletized products in a cold and dry place. Avoid exposure to direct sunlight. Product is not subject to transportation regulations for hazardous substances or chemicals. Disposal via landfill or incineration possible. Please respect local regulations.
