Product Description

Uplift your washroom experience with the trusted and familiar Kleenex® brand, designed to deliver an unrivalled experience whilst supporting high hygiene standards in the workplace. For home-like comfort from one of the world's most loved brands, choose Kleenex® paper towels. Slimroll™ paper hand towels are kind to the skin for frequent hand drying and their compact footprint makes them ideally suited for space constrained, hygiene critical environments. The soft and gentle 2 ply paper towels help to show users that you care, while the Airflex™ Technology embedded in every disposable hand towel supports effective and efficient hand drying and high washroom hygiene standards. Show you care with user preferred, soft and gentle Kleenex® brand embossed sheets on this rolled paper towel. These hand towels feature compression technology for increased sustainability through reduced storage and transportation. Our touch free dispensers reduce the risk of cross contamination to support high hygiene standards in the workplace. Compatible with the Aquarius™ Kimberly-Clark Slimroll™ Hand Towel Dispenser in white (code 7955) or black (code 7956) a more compact system to match the style of your washroom. FSC certified for environmental assurance. Food contact certified. 6 x 100m = 2,400 sheets, white, 2 ply Slimroll™ rolled hand towels (600m total)

Product Features

- Each roll of paper towels contains 100 metres of 2 ply rolled hand towels, equivalent to 400 sheets of paper hand towel
- These disposable hand towels are food contact certified and FSC certified for environmental assurance
- The most gentle Slimroll™ hand towel for elevated care in smaller premium washrooms
- Compatible with the Aquarius™ Slimroll™ rolled paper towel dispenser in white (code 7955) or black (code 7956)
- Compact hand towels with Airflex™ Technology, resulting in superior absorbency which allows people to feel clean and fresh
- Show you care with user preferred, soft and gentle Kleenex® brand embossed sheets, for a seamless hand drying experience

International Standards and Symbols

Solution

Healthier Workplace

The HEALTHY WORKPLACE PROJECT* is a comprehensive office hygiene programme which helps engage employees and reduce sickness.

Standard R+E

Food Contact Regulations

This product is suitable for food contact and complies with Regulation (EC) No. 1935/2004. Furthermore, nitrile rubber gloves comply with Regulation (EC) No. 10/2011 and German Recommendation, BfR No. XXI, and paper products comply with German Recommendation, BfR No. XXXVI.

AIRFLEX* Technology

AIRFLEX*

Compression

KIMBERLY-CLARK PROFESSIONAL* is using new air compression technology to fit up to 18% more paper hand towels into each case, resulting in a range of commercial and environmental benefits. The technology is being applied across a range of KLEENEX and SCOTT Hand Towels manufactured using AIRFLEX* Fabric. Compressed AIRFLEX* Fabric towels will continue to offer superior absorbency and strength and outstanding levels of hygiene and comfort. Along with the following additional benefits: Environmental, it means more towels per truck so fewer trucks on the road. Packaging waste is also reduced. End-users will now need to use less warehouse storage space for the same amount of hand towels, while more towels in each sleeve will mean fewer refills are required.

Trade
