

Elegant and ergonomic
With USB port!

ERGONOMIC

On measure lighting

Jack is equipped with a very efficient 6W LED lighting. Tactile dimmer switch located on the base makes it possible to adjust the lighting intensities that correspond to different activities:

- Working
- Reading
- Relaxing

Jack makes it possible to get an on measure lighting

USB CHARGER

Product benefit

Jack is equipped with a USB port to charge smartphones. USB cable not included.

DESIGN

Simple and elegant

The head in elliptical shape increases the diffusion of the lighting on the work surface. Compact and articulated it can perfectly be integrated on any desk surfaces.

Tactile dimmer switch with 4 intensities and 3 different levels of colour temperatures

“Jacques is both elegant and functional.”

Technical features

SWITCH

Tactile, 4 lighting intensities and 3 levels of colour temperature

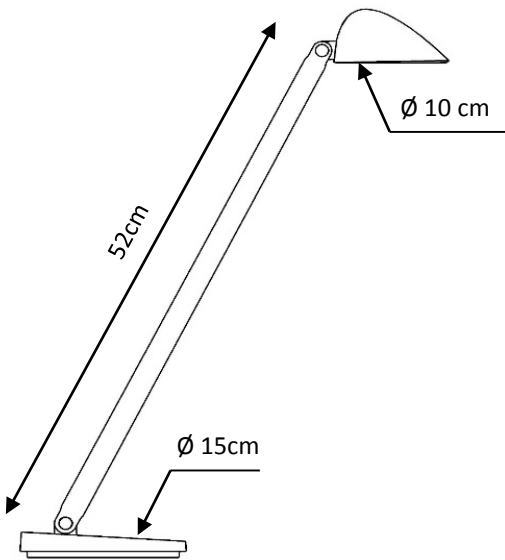

MOVEMENTS

Head and arm adjustable

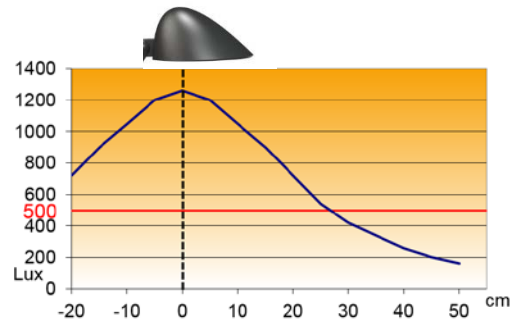

MATERIALS

ABS plastic

DIMENSIONS

LUX measurement on the work surface

SOURCE

LED built-in *: Rated power 6 W

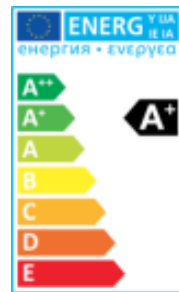

* Cannot be replaced

DRIVER

Removable on plug

Lifetime:
20,000 hours

600 Lumens
