

Full keyboard. Fully mobile. Fully your type.

Be anywhere and still be ready to go with the HP 460 Multi-Device Bluetooth Keyboard. It offers full-featured functionality with easy-to-pack-up portability to go wherever life takes you. With versatility to pair multiple devices combined with functional design, this true multi-device keyboard is built to help you stay moving, working, playing, and connected.

*Product image may differ from actual product

Portability meets productivity

Get the most out of your day, every day. This adjustable, spill-resistant Bluetooth® keyboard fits the full keyboard experience into a compact, on-the-go design that saves space in your bag or anywhere you set up. Add utility and comfort to whatever you're doing with a full numpad, directional keys, and concave keycaps that make typing quiet and comfortable.

Uncomplicated connectivity

Life is better when you have options. Seamless Bluetooth® functionality gives you the freedom to stay continuously and confidently connected anywhere you are. Connected to a desktop, your tablet, or even a mobile device, this multidevice Bluetooth keyboard delivers connectivity across multiple operating systems. With Swift Pair, quickly switch between up to three devices with the press of a button.

Create your new favorite key

Go further with more flexibility. Whether for office tasks or game play, program the F1–F12 keys¹ to act as custom shortcuts, or automate difficult keystroke combinations to make all your moves in a fraction of the time. HP Accessory Center software makes it easy to set and change commands on the fly.

Built for a better tomorrow

The better choice for a brighter tomorrow, the HP 460 Multi-Device Bluetooth Keyboard contains 50% post-consumer recycled materials². With FSC certified, plastic-free packaging, you can be confident knowing you have a Bluetooth® keyboard that is helping protect our shared future while doing amazing things for you.

Multi-OS, multi-device connectivity

Pair and switch between up to three devices over Bluetooth®.

Slim design with full numpad

Get all the functionality of a full keyboard, including a numpad, in a commute-friendly, compact design.

Programmable buttons

Your workflow, your way. A full suite of 12 programmable buttons allows you to customize your keyboard to your exact needs.¹

Battery powered

Two AAA batteries provide up to 24 months of productivity. No charging cable required.³
