

## Jabra Evolve 30 II MS stereo(14401-21) Jabra Evolve 30 II MS stereo - Headset - fuld størrelse - kabling

The Jabra Evolve 30 is a professional headset, designed to improve conversations. Excellent speakers are built for both voice and music. Switch easily between conversations and listening to your favorite tracks. Simply wear the headset to eliminate high-frequency noise, such as human voices, - all thanks to the specially designed ear cushions.

### Vigtige argumenter

Noise-canceling mic  
3.5 mm jack for better connectivity  
Plug and Play setup

### Features

#### Noise-canceling mic

State-of-the-art, noise-canceling microphone eliminates background noise. Your conversation partner won't struggle to hear, what you're saying.

#### 3.5 mm jack for better connectivity

The 3.5 mm jack lets users connect to their personal device - such as a smartphone or tablet - to work or listen to music, wherever they may be.

#### Plug and Play setup

Works out of the box with different systems. Installation is as easy as simply plugging it in.
