

PERFECT

Elegance and high-performance

DESIGN

And ideal handiness

The thinness of the arm, the head and the base give the Magic lamp a natural elegance that everyone likes immediately. Its movements are perfectly fluid and allow a wide range of motion: triple articulation of the arm, revolving at 360° on the base, and the head swivels in all directions. « It is simply perfect »

VISUAL COMFORT

And energy-saving

Magic is equipped with **LED** of the latest generation, lasting **40 years** and providing a **powerful lighting** for a very low electricity consumption.

Fitted with lenses, the LED operate an excellent diffusion of the light on the work surface, thus avoiding any eyestrain.
