STRATA 80

# STRATA 80

---

The **STRATA 80** is a sleek suspended lamp, perfectly suited to illuminate large office spaces, especially behind a monitor. Its flexible arm and articulated head provide precise light positioning. Equipped with a touch switch, an adaptive brightness sensor, and automatic adjustment of intensity and color temperature, it ensures optimal visual comfort. Its tall mast also allows it to be used in setups with up to four screens.

# STRATA 80

- **Asymmetric lighting** : equipped with asymmetric lighting that neutralizes a large portion of glare and significantly increases the illuminated area.
- **Innovation** : a new generation of ergonomic desk lamp that offers a wide luminous range, high-quality customized lighting, and reduces eye strain.
- **Optimal visual comfort** : thanks to its flexible arm, STRATA 80 adapts to the height and size of your screens. With its 80 cm mast, this lamp is designed for a setup with 4 screens.
- **Modern design lamp** : its innovative, slim, airy, and sleek shape will enhance your workspace.
- **Adjustable brightness and color temperature** : on its head, four touch buttons allow you to vary the brightness and adjust the color temperature. Adapt your lighting according to your activity (rest, reading, work).
- **Smart** : depending on the ambient light in your workspace, the lamp adjusts its brightness for better visual comfort, thanks to its light sensor.

Max height : 80 cm  
Min height : 40 cm

**Materials :**

- ABS plastic and aluminum head.
- Aluminum and metal arm with a rubber-coated surface
- Steel clamp (max opening : 7.5 cm)

Warranty : 2 years

## Features

Measurement in lux on the work surface from a top view at 40 cm :

Measurement in lux on the work surface from a side view at 40 cm :

Measurement in nanometers of the light spectrum :

SAP no.	400199208
EAN code	3595560042173
Color	Black
Luminous flow (lm)	2046
Lux (lx)	2400 at 40 cm
Luminous efficiency (lm/W)	109
Color temperature (K)	3000 / 4000 / 5000 / 6500
CRI	85
Source lifetime (h)	50 000
Energy consumption (kWh/1000 h)	19
Net weight (kg)	1.23

# ABOUT UNILUX

---

Founded in 1952, UNILUX is a French company specializing in lighting and ergonomics. Over the past 25 years, UNILUX has become a benchmark in the field of lighting in France and throughout Europe. In 2000, UNILUX joined the French group HAMELIN, a European leader in stationery. The company modernizes and evolves to become a creator of ambiance and well-being.

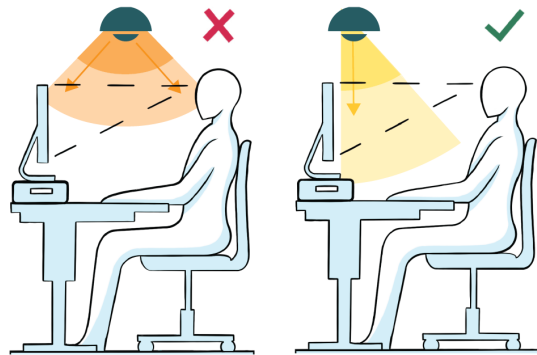

## OUR EXPERTISE

---

### Asymmetric lighting: reduce your eye strain

A desk lamp with symmetric lighting distributes light in a focused way on your work surface, which is ideal for conference tables, shops, or reception areas. However, transitioning from a bright area to a dark one can cause the pupil to contract and dilate, leading to eye strain, tingling, or even headaches. To avoid these issues, we recommend using a lamp with asymmetric lighting.

An asymmetric lighting lamp directs the light using internal reflectors to offset the beam and illuminate a larger surface area. This allows you to light up your keyboard and working documents in front of your screen without causing glare or uncomfortable reflections on the screen, while also limiting light contrasts, which are a major source of eye strain.

## ENVIRONMENT

---

Unilux focuses on sustainable development and takes concrete measures to reduce its environmental footprint and best meet the evolving expectations of its consumers.

We are notably committed to reduce our greenhouse gas emissions by 29% between 2021 and 2030 in response to the "Net Zero Carbon Emissions by 2050" challenge. Eco-design, emissions reduction, and continuous improvement are at the core of our concerns.

## pCon Planner

Integrate Unilux products seamlessly into your 3D space designs.  
Access to essential data : dimensions, prices, etc.

# GLOSSARY

-  ON / OFF
-  Light intensity dimming
-  Color temperature variation
-  Asymmetric lighting
-  Light sensor
-  Replaceable light source (LED only) by a professional.
-  European compliance
-  Energy class
