

AXIO Sliding connector

Connectors are essential for configuring an AXIO monitor arm. They easily slide into the grooves of the poles and allow you to attach arm segments or VESA heads. Once in place, their position can be adjusted for optimal flexibility. Create custom multi-monitor setups by combining them with a connector and other AXIO components, such as monitor arms or laptop holders.

Features AXIO

Materials : Aluminium recycled / POM plastic

Warranty : 2 years

SAP. code	400206625
EAN code	3595560043415
Load capacity (kg)	10
VESA (mm)	-
Dimensions	10 x 5,5 x 3
Net weight (kg)	0,162
