

# Document shredders DAHLE 410air L plus

- Team document shredder for professional use
- Unique DAHLE CleanTEC® filter system reduces fine dust levels from document shredder, improving indoor climate
- Innovative MHP® cutting rollers (Matrix High-Performance): high-quality compound steel rollers for a guaranteed long service life
- Patented manufacturing process conserves resources by using significantly less raw material compared to production of traditional cutting rollers
- Oil- and maintenance-free operation
- Higher performance and greater convenience thanks to MHP cutting rollers
- Separate CD feed opening and waste container for secure, environmentally-friendly shredding
- Doors open wide for easy emptying of waste container
- User-friendly, clearly designed control panel with illuminated information and function unit and acoustic signals
- Device shuts down automatically after 30 minutes without use
- Electronic start and stop function controlled by integrated light barrier
- Convenient automatic reverse function to clear excess paper from paper feeder
- Convenient feeding and reversing function for manual control
- Motor automatically shuts down when the waste container is full or the door is open
- Stops cutting automatically and displays signal on the control panel when the waste container is full
- Pull-out waste container
- Powerful motor ensures high performance and longer run times
- Extremely quiet operation
- Convenient swivel castors with 5 cm ground clearance for greater mobility, two lockable brakes for secure positioning
- Separate main switch to switch off document shredder completely
- Practical cold-device plug can be detached from document shredder
- Dimensions (H x W x D): 944 x 545 x 435 mm

Departmental document shredders: professional performance across the team.

Entry width 310 mm

Waste collection volume 100 litres

Wattage 900 watts

Cross cut

Convenient swivel castors with lockable brakes for secure positioning

Carries the GS Intertek test mark

Unique DAHLE CleanTEC® filter system

DAHLE MHP Technology® document shredders

Comfortable and environmentally friendly shredding - no time-consuming lubrication of the cutting cylinders required

Extremely quiet for a pleasant, low-noise working environment
