This declaration is only valid if the product is not being altered

WARNINGS

Although effort has been put into securing that the metal wire for the stem has been sealed, it is not guaranteed. If the metal wire is exposed to water, it can rust and leave a stain inside the bottom of a vase, regardless of material.

Condition of use

Handle with care to avoid breakage of the leaves/flowerheads. Before use, the stems/bouquets must be trimmed and folded into place
