

## AIR SPACES

Air Spaces was designed with the idea of connecting Air whiteboards to create a large continuous writing space. Concealed fittings make the joints subtle, measuring less than 1 mm. Air Spaces can also be complemented with textile modules (see Air Textile).

Concealed fittings and subtle joints  
 Depth from wall 16 mm  
 Magnetic ceramic steel writing surface  
 e3 certified 99% recyclable  
 30-year warranty on the writing surface

## WHITEBOARD

## OUR WHITEBOARDS

Our ceramic steel whiteboards are of the highest quality and include a 30-year warranty on the writing surface. The steel sheet core is made of 50% recycled material and the boards are up to 99% recyclable. All boards are individually packaged and include fittings for wall mounting.

When ordering chalkboards or whiteboards in other colours than white (NCS S 1002 G50Y), please add one of the following prefixes in front of the article number:

BE = beige (whiteboard), NCS S 1005 Y20R  
G = green (chalkboard), NCS S 7010 G10Y  
GG = graphite grey (chalkboard), NCS S 7500 N  
B = blue (chalkboard), NCS S 5040 R80B  
GR = light grey (whiteboard) NCS S 2000N  
S = black (chalkboard), NCS S 8500 N

For matte or semi-matte surface, please add one of the following prefixes to the article number:

S = Semi-matte  
M = Matte

Since writing is difficult to erase on a matte surface, we don't recommend matte surface as a writing board.
